Dimensions
- Gross weight: 3.8 kg
- Packaging width: 457 mm
- Packaging height: 283 mm
- Packaging depth: 210 mm
- Weight: 2.8 kg
- Main unit depth: 240 mm
- Main unit height: 168 mm
- Main unit width: 420 mm

Power
- Battery type: D size (LR20)
- Battery voltage: 1.5 V
- Power supply: 110 - 127V and 220 - 240V AC voltage selectable
- Number of batteries: 6

Highlights

USB Direct
With the USB Direct mode, you can simply select the music on a USB device and playback all your content. All you have to do is plug in your USB device to playback music or export content from the device.

Bass Reflex Speakers
Bass Reflex Speakers delivers a deep bass experience. Differ from conventional loudspeakers, the addition of a bass pipe that is acoustically aligned to the woofer optimizes the low frequency roll-off. The result is a deep controlled bass and low distortion. Combined with the response of the woofer, it extends the overall low frequency sounds to create a whole new dimension of deep bass.

MP3 Link
The MP3 link connectivity allows direct playback of MP3 content from portable media players. Besides the benefit of enjoying your favorite music in the superior sound quality delivered by the audio system, the MP3 link is also extremely convenient as all you have to do is to plug your portable MP3 player to the audio system.
